

Adams County Manor is currently seeking a caring and compassionate Physical Therapist (PT) to work Full-Time hours in a great Skilled Nursing Facility (SNF) setting located in West Union Ohio. Here at Adams County Manor we have just completed a state of the art 16 bed addition boasting a 3000 square foot therapy gym where we provide both inpatient and outpatient services.

Interested applicants must have a degree in Physical Therapy, and must be licensed or license eligible for consideration.

We are looking for a Physical Therapist who has the desire to implement high-quality physical therapy services. Interested applicants should have a strong commitment to enhancing each resident's quality of life in an ethical, sensitive and caring manner. In return, this position offers a competitive salary and benefits package, as well as opportunities for advancement.

Physical Therapist Responsibilities:

- Screening patients
- Performing evaluations and developing initial and interim treatment and discharge plans
- Documenting progress toward identified objectives
- Overseeing Physical Therapy Assistant(s)
- Developing and implementing new program/techniques to enhance physical therapy services.
- Conducting patient and family education
- Delivering quality physical therapy services
- Putting patient service first

If you are seeking an exciting opportunity and you have the desire to join a team of dedicated healthcare professionals who pride themselves in providing quality patient care, please apply now at www.hg-nh.com.
